CIRCULAR No. 272 **OSC Ref. C. 5850¹⁶**

2nd July, 2024

Permanent Secretaries, Heads of Department and Chief Executive Officers are asked to invite applications from suitably qualified officers in their Ministries/Departments/Agencies to be assigned to the post of **Transport and Security Manager (GMG/AM 4) – (Not Vacant)** in the **Facilities and Property Management Branch, Corporate Services Division, Ministry of Economic Growth and Job Creation**, salary range \$2,803,771 – 3,770,761 per annum.

Job Purpose

Under the general supervision of the Director, Transport, Security and Emergency Management, the incumbent is responsible for ensuring the effective management of the Ministry's motor vehicle fleet and security operations, in accordance with the Ministry's policies and objectives, and in compliance with established Government Regulations.

Key Responsibilities

Management/Administrative:

- Participates in the development of a set of objectives and standards to guide the operations of the Transport, Security and Emergency Management Unit;
- Contributes to an Annual Budget for the Transport Security and Emergency Management Unit;
- Delegates and oversees the functions of reports;
- Conducts staff appraisal;
- Participates in relevant meetings, seminars, conferences etc., as needed;
- Contributes to the development of the Branch's strategic and operational plans;
- Prepares routine and ad-hoc reports, as requested.

Technical/Professional:

- Manages to ensure secure custody of the Ministry's motor vehicle fleet;
- Develops procedural manuals for the charting of relevant transportation related processes and procedures;
- Oversees servicing and proper maintenance of motor vehicles;
- Conducts audits of motor vehicle equipment and accessories and ensures maintenance of an up-to-date Inventory;
- Ensures implementation of internal systems of control in the use of motor vehicles and motor vehicle accessories;
- Arranges for Board of Survey to conduct inspections on motor vehicles;
- Ensures appropriate and valid licenses for driving personnel and that only designated/authorized personnel accesses and operates vehicles;
- Provides advice to the Ministry on all protective security matters;
- Reviews and comments on policy and standards produced by the Ministry where it impacts on proactive security;
- Develops the Ministry's protective security strategy and risk assessment framework;
- Liaises regularly with the Ministry of National Security to ensure that the Ministry's protective security strategy and security standards are in line with overall GoJ standards in protective security;
- Establishes, reviews and updates physical, personnel and information security standards and inspection protocols/procedures;
- Maintains manual of physical, personnel and information security standards and inspection protocols/procedures and updates as required;
- Works together with other Divisions to implement the protective security strategy;
- Conducts periodic audits/inspections to ensure physical, personnel and information security standards are being met;
- Monitors trends in security breaches, recommends and co-ordinates implementation of remedial action;

- Sensitizes staff and stakeholders regarding protective security measures and their responsibilities in ensuring security standards are maintained, including the development and delivery of training in protective security matters;
- Carries out site surveys to assess the physical security needs of all Ministry facilities;
- Assists Divisions to develop security and Risk Management Plans, and identifies remedial action to address weaknesses in security arrangements;
- Monitors implementation of security, risk management and remedial action plans through the periodic inspection process;
- Manages the camera system of the Ministry;
- Manages the service contracts with private security companies;
- Monitors implementation of the Ministry's policy for handling firearms at Ministry;
- Verifies and recommends approval for payment on invoices;
- Conducts investigations in co-operation with Government Agencies to determine causes of transportation accidents and to improve safety procedures;
- Maintains filing system for all transactions undertaken by the transportation and security;
- Checks and verifies data for the issuance of Tax Withholding Certificates.

Human Resource:

- Monitors and evaluates the performance of direct reports, prepares Performance Appraisals and recommends and/or initiates corrective action, where necessary, to improve performance and/or attaining established personal and/or organizational goals;
- Participates in the recruitment of staff for the Division/Unit and recommends transfer, promotion, termination and leave in accordance with established human resource policies and procedures;
- Contributes to and maintains a system that fosters a culture of teamwork, employee empowerment and commitment to the Division's and Organization's goals;
- Contributes to the development and implementation of a Succession Planning Framework in collaboration with the Human Resource Division, through the development of procedural manuals and other duties prescribed within the framework;
- Performs any other related duties that may be assigned from time to time.

Required Knowledge, Skills and Competencies

- Good oral and written communication skills;
- Good interpersonal skills;
- Responsible and dependable;
- Team and results oriented;
- Good problem-solving and decision-making skills;
- Possesses initiative and confidentiality;
